## Our Products

### FRESH FRUITS

Fresh Fruits is the seed-bearing structure in flowering plants (also known as angiosperms) formed from the ovary after flowering. Fruits are the means by which angiosperms disseminate seeds.

### FRESH VEGETABLES

Vegetables should be an important part of your daily diet. They are naturally good and contain vitamins and minerals that can help to keep you healthy. They can also help protect against some diseases. Most Australians will benefit from eating more fruit and vegetables as part.

### RICE

Mehta International is exporter and supplier of White Broken Rice Which is highly unadulterated. Our white broken rice is hundred percent safe for consumption. We process our broken rice through completely hygienic process so to retain its natural properties. We also offer best quality boiled broken rice which has high demand in the market. Besides, we are amongst the top notch broken rice exporters from India.
